**“When I'm racing,**

*I know it's just me and the road. There's no support when something goes wrong. I need to have complete confidence in my equipment. That's why I race on Maxxis tires.”*

*“With Maxxis Courchevels, I have a lightweight, fast tire with race proven durability that assures me I'll come off the bike ready to run!”*

**- Tim O'Donnell,**  
Professional Triathlete

**Courchevel**

- Pro road competition tire
- 3C Triple Compound Technology
- New Kevlar® Composite breaker for improved puncture resistance over standard Kevlar® and Vectran® breakers
- Available in Orange/Gray/Black or Gray/Gray/Black

**MAXXIS®**
